	) APPLICATION

This matter comes before the Public Service Commission of South Carolina (the “Commission”) by way of the request of Patrick N. Anderson d/b/a U-Ride (“U-Ride” or “Applicant”) filed June 14, 2012, for approval of an amendment to U-Ride’s Application for a Class C Charter Certificate of Public Convenience and Necessity to reflect a modification to the passenger limit requested on such Application. U-Ride’s Application for a Class C Charter Certificate was filed on April 23, 2012, and the Commission granted the Applicant authority to operate under a Class C Charter Certificate by Commission Order No. 2012-357, issued May 16, 2012.

Currently, the Applicant’s authority to provide passenger service as granted by Order No. 2012-357 reads as:

...to render motor passenger service as follows:

Between Points and Places in South Carolina,  
Restricted To: Seven (7) Passengers.

The Applicant requests to increase the passenger restriction from seven (7) to fifteen (15) passengers.

Based upon review of the matters asserted in the present request, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the request for modification of the Application of Patrick N. Anderson d/b/a U-Ride for a Class C Charter Certificate of Public Convenience and Necessity by changing the passenger restriction thereon from seven (7) passengers to fifteen (15) passengers be, and hereby is, approved.

2. That said approval is for a change in the passenger restriction authorized by Order No. 2012-357, but does not otherwise authorize any change in the operation of the regulated services.

3. That upon compliance with the statutory and regulatory requirements as set forth in Order No. 2012-357, a Certificate of Public Convenience and Necessity shall be issued by the Office of Regulatory Staff to the Applicant as provided in Order No. 2012-357 and as amended by this Order.

4. That prior to compliance with statutory and regulatory requirements and the receipt of such Certificate, the motor carrier services authorized by Order No. 2012-357 may not be provided under the amendment approved herein.
